

CATCHING THE BIG FISH

WEST COAST IPA 6.3%

Crafting a beer is like spending time in a subconscious dreamscape. Somewhere between lucidity and reality a little of who we are enters the beer. This West Coast IPA is clean, snappy and layered with hops to be deliciously crisp.
A long overdue collab with Bristol friends LHG with whom we made Strategic Partnership. This celebrates us both always Catching The Big Fish by enjoying being alive in each moment.

TASTING NOTES
Crisp | Stone Fruit | Citrus Pith
